The MySizeID app is a turnkey solution that helps any merchant's customers choose the appropriate apparel size for that specific brand, based on the shopper's real measurements. My Size's innovative technology enables consumers to measure themselves using their smartphone and then be matched with a brand-specific apparel item in their size. Once launched on any given e-commerce platform, store owners will be able to add the MySizeID app to their storefront through a simple integration and provide their shoppers with a more personalized experience.
